SUBJECT :—*Import of capital goods etc. from U.S.A. under AID Loan No. DLF. 157.*

No. 33-IFC(PN) 64.—Import licences for capital goods etc. against U.S. AID Loan No. DLF 157 have been issued from time to time subject to the terms and conditions communicated individually to the importers concerned and accepted by them. One of these conditions is in regard to the United States of America source and origin of the goods. It has been decided that the following definition of United States source and origin shall apply to procurement under the subject loan :

“ Goods are considered to be of U. S. source and origin when :

- (1) Such goods are shipped from a U.S. port, or from a free port or bonded warehouse if shipped from said free port or bonded warehouse in the form in which received when shipped therefrom a U.S. port ; and
- (2) Such goods are mined, grown or produced through manufacturing processing or assembly in the U. S. ; and
- (3) Not more than 10 percent of the lowest price (excluding ocean transportation and marine insurance) at which the supplier makes the goods available for export sale represents the cost (delivered to the point of production) of imported components ; and
- (4) All unimported components of such goods were imported from countries included in AID Geographic Code 899 ; and
- (5) Neither the commodity nor the transaction may be one which is prohibited by the Foreign Assets Control Regulations of the United States of America.”

This definition shall apply to all orders placed subsequent to April 1, 1964, for goods to be imported against the licences under AID Loan No. DLF. 157.

2. Importers holding licences under AID Loan No. DLF. 157 are requested to bring the aforesaid definition of United States source and origin to the notice of their U. S. suppliers in regard to orders placed subsequent to April 1, 1964.

3. The following certification on source and origin must be attached to or endorsed on each invoice presented for payment and must be signed by the supplier or his authorised representative :—

I (We) hereby certify that the ‘origin’ (as defined by A. I. D.) of the commodities, (listed on the attached invoice No.) (or) (invoiced herein) is as shown below, that such “ origin ” as well as the “ source ” shown in block 3 of AID Supplier's Certificate is included in the A. I. D. geographic code authorised in the procurement document under which this shipment is made, and that this information is true and correct in all respects.
